
At a minimum, an eligible applicant must:

1. Be an undergraduate student.
2. Be enrolled full-time as an undergraduate at Kentucky State University and have declared a major in the KSU Nursing AAS program or in the BSN program.
3. Have completed at least 15 credit hours at the undergraduate level prior to submission and have been accepted in to the nursing program.
4. Must be enrolled in a minimum of (12) credit hours per semester that is aligned with the Nursing curriculum ladder.
- 5.

- What are your ultimate educational goals, and how you plan to achieve them? How will you give back to the nursing program or influence others as a result of your education?
- Why should you be awarded the scholarship (e.g., financial need, family responsibilities, etc.)?

Two (2) letters of recommendation from a core class professor must be submitted to ksu.scholarship@kysu.edu.

Once you have been accepted into the nursing program, applicants must have one of the above letters of recommendation from a professor in the nursing department.

Letters of recommendation must be on letterhead.

The letters should reflect:
